MEMORANDUM #2010-07

FROM: Noel Wagner, MD - SVMCA Medical Director

SUBJECT: Synergy Medical Education Alliance EMS Fellowship

I am pleased to announce the commencement of the Synergy Medical Education Alliance EMS Fellowship. The fellowship started on July 1, 2010, and is being administered by the Saginaw Valley Medical Control Authority. The fellowship will run one year commencing at the same time each year. It is designed to provide structured and practical EMS education to physicians interested in pursuing a career in EMS and Prehospital Emergency Medicine. The fellow holds the title of Assistant Medical Director in the Saginaw Valley MCA.

Our current fellow is Dr. Jason Carter. Many of you will recognize Dr. Carter as a graduate of Synergy's Emergency Medicine residency program. He is now a board eligible/board prepared Emergency Physician and functions as an attending physician both in the hospital and in the field.

Please remember that the medical directors would like to be contacted in real time for any unusual medical questions or situations that would benefit from discussion with an EMS Physician. We attempt to be available 24 hours a day and welcome being contacted at any time. We are often available on talkgroup 73MD or can be reached on our cell phones.
